COMMENCEMENT OF THE FAMINE RELIEF WORKS IN THE AREAS DECLARED AS SCARCITY AFFECTED VILLAGES IN BADAMI TALUKA.

*Q.—343. Sri M. R. PATTANA SHETTY (Guledgud).—

Will the Government be pleased to state.—

(a) whether they have taken a decision regarding the famine stricken villages of Badami and Hungund taluks, Bijapur District, in accordance with the resolution passed at the Conference of the ryots of the above two taluks held at Layadagundi, Badami taluk, on 14th January 1961;

(b) if so, the names of the villages affected by famine in the above two taluks;

(c) whether they would commence famine relief works in the area of the famine declared villages and continue the same till the month of October 1962?

4.—SRI KADIDAL MANJAPPA (Minister for Revenue).—

(a) Existence of scarcity has been declared in 83 villages of Badami taluka under G.O. No. RDF 57 TSY 60, dated 12th November 1960 and in another 56 villages of the same Taluka under G.O. No. RDF 57 TSY 60, dated 10th February 1961. So far as the affected areas of the Hungund taluk are concerned, there are no villages in which the conditions justify the declaration of the existence of scarcity. Hungund taluka is predominantly Rabi area and consequent on the rains in September 1960, the seasonal conditions improved to some extent in almost all the parts of the taluka. The question of declaration of scarcity in any of the villages in Hungund taluka did not arise.

(b) Please see statement below in regard to Badami taluka.

(c) Scarcity works have been continued in Badami taluka for providing employment to the people of the scarcity areas. These works will be continued for so long as conditions of scarcity continue to exist. There is practically no attendance of labourers on the test scarcity works in Hungund taluk as the agriculturists are engaged in the field work.
